This show is within a day's drive of Chicago, Cleveland, Indianapolis, Pittsburgh, Detroit, Nashville, Cincinnati, Charleston, Lexington. As you know from Cleveland, Greensboro, Des Moines, Lexington, Nashville, etc., the NNEP brings you **qualified buyers** that are ready to do business with you! We attract a large number of buyers that do not ever attend other events.

This show is effective, easy for your staff and one that the buyers really like. The buyers rave about how much they like the "quality time" with you – their favorite suppliers! The buyers like that they can ask questions, really learn about your lines and become confident in using or selling your products.
